President's Report - Jason Forgash

- We're hoping to bring back CV's Culture and Climate meetings next year.
- We'll be doing a Uniform Turn-in Event on Tuesday, 6/4 at 7:45am. This is primarily for promoting 8th graders, but also any students who have outgrown their uniforms. Participants will be entered into a raffle.
- Checked in with his DA contact on the GRIP Program and its status regarding CV. There will be no changes on the DA's end due to budget restrictions and they recommended we reach out to Greg Smith, and discuss further with our SRO and the District about which schools have priority need for the program.
 - *Meeting Comments Included:*
 - Do we want to be known for gang-related issues when we're not really having problems with that?
 - Do we want to fight to take the program away from another school?
 - Please keep in mind, our students are getting this mentorship at their elementary schools and then it is abruptly stopping when they come to CV, whereas it would continue if they were at another middle school and this is a crucial developmental phase.

Principal's Report - Mr. Jones

- Thank you PFSO and families for an awesome Teacher's Appreciation Week!
- SBAC is almost complete. Our goal was 95% completion and we are at 99%
- Our "Positive Prevention Plus" health curriculum will be taught in science classes May 28th through June 3rd. There is a red binder available in the front office if parents wish to make an appointment to come review the curriculum.
- Spring Music Concerts this Wednesday and Thursday

- 8th Grade Promotion Party
- Awards Night on June 3rd - invitations will be mailed
- 8th Grade Promotion is Thursday, June 6th
- Middle School Track Meet
- Olympiad for Mod/Severe Students at Fred Kelley Stadium
- There is a new program at the district - PASS (Parkside Alternative Success School). In April it trickled down to offering 8th Grade. 7 students started the program, 5 completed it. This is another great option for us. Studies show suspensions are not helpful to students over time, and this could be another way to encourage improved behavior.
- Mrs. Yong Davidson got a promotion and will be moving from CV over to the Accounting Dept at the District Office next Tuesday. We will miss her!

ASB Report - Mrs. Marx

- Awards Night change: Gold Awards will be handed out that night so students can wear them to the Promotion ceremony.
- May is Mental Health Awareness Month so we have a variety of activities planned including a sound bath
- Leadership is having a celebrating party this Friday
- Promotion Practice the last Tuesday
- Last Wednesday will be an 8th Grade Field Day in the track area
 - 350 participants, snacks and volunteers appreciated, leadership planning games
- Student Store will be taking orders on big ticket items over 100, will be open next Weds after school, will send out a survey for student feedback
- Next year we may do it 2x a week once a month and try to feature more teacher experiences.
